- I. Meeting opened with prayer from John Proos
- II. Minutes from October 12, 2016 approved by Phil Kalamaros and seconded by John Proos
- III. Shared income statement dated 7/2016 thru 11/2016 provided by Business Office
- IV. Bylaws of Hackett Catholic Central Athletic Booster Club were copied and handed out. *Marco and Michelle* have volunteered to review and break down and provide suggestions at the next meeting to be included in LMC Blue Tide bylaws.
- V. Coaches need to get their “wish list” to Neil. AS OF MEETING DATE girls Softball, Men’s Soccer, Girls Golf and Track and Cross Country coaches have given to Neil their wish lists. Football Coach Toby Riley expressed the need for new football uniforms, as they will be going on their 8th season using the current ones. He will be getting his wish list into Neil.
- VI. LAKER SPIRIT WEAR:
 - a. A need for Laker Wear to be available at both the MS/HS and ES on demand. A link on the website to order online individually was discussed.
 - b. Football and CC and Track both use business out of town for clothing each season. Marco explained that he uses Custom Ink, online store, and has the parents pay directly on their website rather than having himself or parent volunteer collect funds.
 - c. Men’s Soccer team uses Lazer Graphics and Sean Juza. Sean designs the logo, gets approval, sends out order forms and collects payment and places order himself. This was also the procedure recently done with the Lakers Basketball Wear.
 - d. Group had discussion of the possibility of using a Debit Card that would remove funds from account when making purchases in lieu of PO’s or waiting for reimbursement of Business Office.
- VII. Jeanette made the suggestion of approaching businesses for signs at the fields.
- VIII. Stephanie will speak with Larry on how to make the process of ordering simplistic.

FRIENDLY REMINDER:

Make EVERYONE aware of and continue to explain that The Blue Tide Booster Club is open to any party interested raising funds for Laker Athletes from the mini Lakers sports at the Elementary School through the Varsity level at the High School.

Meeting was dismissed at approximately 6:15 pm.
