

RenWeb Student Information System

Lake Michigan Catholic schools uses the RenWeb School Management system. Many of you have already used RenWeb to enroll your students for the 2018-19 school year through **ParentsWeb** – a private and secure parents' portal that allows parents to see information specific to their children, while protecting their children's information from others. All you need is an Internet-capable computer to view information such as Attendance, Daily Grades, Progress Reports, Report Cards, Transcripts, Discipline, Homework, Missing Assignments, School Calendar, Lunch Menus and Purchases, School Announcements, Staff and School Directory, Family Account Balances, & Teacher Email Addresses.

For parents who have not accessed their ParentsWeb account yet, RenWeb has created a 5 minute ParentsWeb Overview video (<https://vimeo.com/126932181>), which will give you an introduction to the system. The password to access the video is **ParentsWeb**. To set up your ParentsWeb account, follow these instructions:
